### ANGACOM 2022 TUYAD MEMBERS DISCOUNT OFFER

TUYAD Association members have a 10% discount for custom design and construction of special stands at ANGACOM 2022 Fair. Our turnkey service includes many services including design process, production

and installation of the stand, technical support during the fair, and dismantling of the fair stand.

If you want to be involved and benefit from discounted rates with a smooth process, it will be enough to give us a brief and we will be assisting you on the spot.

Our process will proceed through the concept created by our design studio along with the best possible offer for you .

To benefit from advantageous prices, you can contact our customer representative below and you can find more information about Ari Product Lab at [www.ariproductlab.com](http://www.ariproductlab.com)
